Embossed PVC-U cladding

Refresh tired, old brickwork or timber cladding with robust, fresh PVC-U embossed shiplap cladding.

Deeplas PVC-U shiplap cladding provides an attractive, low maintenance, weather resistant solution for replacing rotten timber cladding, concealing problem areas of brickwork or adding an interesting new feature to a property.

Available in shiplap style, our cladding is designed for easy installation. Our range of colours and realistic embossed finishes means you can create a truly unique appearance, whether you want a rustic timber-effect or a crisp contemporary white finish.

Why choose embossed PVC-U cladding?

- Refresh tired, old brickwork or timber cladding with robust fresh PVC-U shiplap cladding.
- Easy-fit clip-together PVC-U shiplap cladding to enhance any home
- Attractive, low-maintenance, weather-resistant solution
